

Content Lead Expectations

Curriculum & Pacing: Ensure all instruction is aligned to the district-approved curriculum and Scope & Sequence. Conduct routine reviews of lesson plans and pacing to maintain fidelity and consistency across the grade levels.

Content Meetings: Plan and facilitate all content meetings, including the development of clear, outcomes-driven agendas and follow-up action steps.

Mentorship: Provide coaching and mentoring support for new teachers within their content area.

Compliance: Ensure timely and accurate completion of all required components, including 3Ds, RIMPs, and Scope & Sequences.

Data Management: Collect, analyze, and interpret multiple data sources (3D., i-Ready, Acadience, intervention data) to inform instructional practices.

Data Communication: Facilitate ongoing data meetings that follow the district data calendar; ensure clarity of next steps and accountability for implementation.

RIMPs: Lead the implementation and monitoring of Reading Improvement and Monitoring Plans (RIMPs), including regular progress checks and required communication and documentation.

Building Leadership Team (BLT): Actively contribute as a core member, representing grade-level needs and supporting school-wide initiatives.

Professional Communication: Lead and navigate difficult conversations with staff in a constructive, solutions-oriented manner.

District Vertical Alignment: Attend district content meetings and implement building level actions steps within content area.
